

15K Collateral News Flash

scottcalToday at 22:52
@everyone

Well this is the moment you've all been waiting for!!

Collateral will change from 1k to 15k on Wednesday 8/22/2018 12:00am UTC
:fire:START YOU ENGINES!!!!!!!!:fire:

What does this mean?

It means that you will need 15k in coins locked in your wallet to have a functional masternode.

Q: Can I transfer this amount to my wallet ahead of time?

A: Yes!!!!

Q: Can I start my masternode with a transaction id for this 15k transaction before the spork?

A: NOOOOOOOO!!! Sorry.... you'll have to wait until the spork is active.

Q: Do I need to upgrade my wallet?

A: Nope.

Q: How do I see if the spork is active and at what time?

A: On your VPS type: `h2o-cli spork show`
if the spork 15 shows 1534896000 next to it will be active at this time.

Q: How do I read this time 1534896000?

A: you can either trust that Wednesday 8/22/2018 12:00am UTC or you can google epochtime to human time.

Q: What is the spork name?

A: "SPORK_15_NEW_COLLATERAL_ENFORCEMENT"

Team H2O
